### WHAT IS HILLTOP?

Hilltop is a day to get up close to our ministry and witness the Lord's work at Cookson Hills. You can expect to walk away feeling inspired, equipped to share Cookson Hills ministry updates, and encouraged to continue in your own area of Kingdom Work.

### WHAT HAPPENS AT HILLTOP?

At Hilltop you will get an update on the ministry, hear from students, view students' accomplishments, tour new facilities, and enjoy a complimentary lunch. Thanks to the outpouring of support for our new music program, you will be treated to a performance by the Cookson Hills Percussion Ensemble and Drumline. We will also be collecting items from our Needs List & taking up an offering to help purchase the items our kids need most.

**EVERYONE IS WELCOME!**

**RSVP TODAY:**

Since 1957, Cookson Hills Christian School has provided private, quality, Christian education and nurturing family-style living. We serve students ages 5-17 who want a fresh start and have faced challenges with family life, experienced abuse, neglect, school truancy, homelessness, or poor peer relationships. We partner with grandparents or extended relatives raising children, single parents, families with disrupted adoptions, low-income families, and families having difficulty providing a safe and stable home for their child.
