**CAMPUS UPDATE:**

**COVID-19-** January was our worst month on record with over 30 confirmed COVID cases on campus. We had many sick and many more quarantined due to exposure. Luckily no one was seriously ill or hospitalized, but many events had to be cancelled including about a week of school, This has been particularly hard on our houseparents who are on the front lines every day.

**School** - We have recently completed several improvement projects to our school building. Some of those projects include installing new smartboards in several of our classrooms, and replacing the roof on the entire building.

**4-Him** - We are entering into one of our favorite times of the year where we have our 4-Him group classes. 4-Him is an after school program for the kids, where our staff members are able to share some of their skills and passions with the kids. Some of the classes include drama, worship band, woodworking, and lego robotics. It is also a great time for our staff to build deeper relationships with the kids and share their faith.

**Counseling Center Update** - We have currently raised approximately 58% of the funds needed to complete our new Counseling center/daycare addition to our school. The addition will provide 3 Hipa approved counseling rooms and a space to provide daycare for our staff children. We have recently been awarded a \$175,000 matching grant for the project, so any new donations to the project will be matched dollar for dollar up to \$175,000. Once those matching funds are met we will be at 98% of our goal of just under \$890,000.

**PRAYER REQUESTS: (see a full list on our church resource page)**

- God to send us the right people to fill our job positions and serve in our ministry
- Healing for our kids and for them to experience the Love of Jesus and surrender to Christ as Lord and Savior
- Protection of our campus against COVID, other sickness and disease, and all of Satan's attacks
- Enrollment opportunities to reach more at-risk kids
- Counseling to be effective in helping to bring healing to kids
- Continued guidance and growth for our leadership and staff
- Donors to meet our financial needs, including what we need to build our new counseling center and daycare
